

Chain

Merchandising at it's best !

Displays come with removable third tray that can be used to promote reels of chain & cable (A) and pre-cut cables (B).

It can also be removed to allow an additional row of chain in pails (C) or be replaced with optional accessories bins to display 22 separate items (D). Also available in a 2' version (E).

- Most versatile displays ever
- Maximum number of SKU's
- Unbelievable flexibility

Call your representative for assistance in configuring your own inhouse display.
